

## “Our DUTY to Speak Out on Tough Topics”

By Darryl Eberhart, Editor of “Examining the Tough Issues (ETI)” and

“Tackling the Tough Topics (TTT)” ([www.toughissues.org](http://www.toughissues.org))

DATE: November 13, 2007 (Updated: November 26, 2007)

Let us begin this article with a long quote by author Paul Blanchard:

*“Probably no phase of our life is in greater need of CANDID DISCUSSION than the relationship of the Roman Catholic Church to American institutions, and certainly no important factor in our life has been more consistently NEGLECTED by responsible writers. The [Roman] Catholic issue is not an easy subject to discuss objectively because most Americans have automatically accepted their attitudes on the subject from their parents, and they do not want those attitudes disturbed. They are [Roman] Catholic or they are not [Roman] Catholic. If they are [Roman] Catholic, they tend to view their own Church with favor, and its critics with suspicion. If they are not [Roman] Catholic, they tend to reverse the process and view all distinctively [Roman] Catholic policies with doubt. American [Roman] Catholics and American non-[Roman] Catholics both tend to leave the discussion of religious differences to denominational bigots; and many Americans have never had an opportunity to hear a reasoned and temperate discussion of the place of [ROMAN] CATHOLIC POWER in our national life.*

*The policy of MUTUAL SILENCE about religious differences is a reasonable policy in matters of personal faith; but when it comes to matters of POLITICAL, medical and educational principle, SILENCE may be directly **CONTRARY** to public welfare. When a church...attempts to control the judgment of its own people (and of other people) on foreign affairs, social hygiene, public education and modern science, it **MUST** be RECKONED with as an organ of **POLITICAL** and CULTURAL POWER. ...The [Roman] Catholic problem as I see it is not primarily a religious problem: it is an INSTITUTIONAL and **POLITICAL** problem. It is a matter of the USE and ABUSE of POWER by an organization that is NOT ONLY a church but a **STATE** within a state, and a STATE above a state.*

*There is no doubt that the American [Roman] Catholic hierarchy has entered the **POLITICAL** arena, and that it is becoming more and more **aggressive** in extending the frontiers of [Roman] Catholic authority into the fields of medicine, education and **FOREIGN POLICY**. ...[The Roman Catholic Church] tells [Roman] Catholic doctors, nurses, **JUDGES**, teachers and **LEGISLATORS** what they can and cannot do in many of the controversial phases of their professional conduct. It SEGREGATES [Roman] Catholic children from the rest of the community in a SEPARATE school system, and **CENSORS** the cultural diet of these children. It uses the **POLITICAL POWER** of some twenty-six million official American [Roman] Catholics [Ed. Note: Remember, this was written in 1949] to BRING American foreign policy INTO LINE with VATICAN temporal interests.*

*These things should be talked about freely because they are too important to be ignored. Yet it must be admitted that millions of Americans are **AFRAID** to talk about them frankly and openly. Part of the **RELUCTANCE** to speak comes from **FEAR, FEAR** of [Roman] Catholic reprisals. ...The [Roman] Catholic hierarchy in this country has **GREAT POWER** as a pressure group, and **NO** editor, politician, publisher, [Ed. addition: broadcast host], merchant or motion-picture producer can express defiance openly – or publicize documented facts [Ed. Note: such as the well-documented facts concerning Papal Rome's **bloody** history] – without **risking his future**.*

*But **FEAR** will not entirely explain the current **SILENCE** on the [Roman] Catholic issue. Some of the **RELUCTANCE** of Americans to speak is due to a **MISUNDERSTANDING** of the nature of 'tolerance'. 'Tolerance' should mean complete charity toward men of all races and creeds, complete open-mindedness toward all ideas, and complete willingness to allow peaceful expression of conflicting views. This is what most Americans **think** they mean when they say that they believe in 'tolerance'.*

*When they come to apply 'tolerance' to the world of religion, however, they often forget its affirmative implications and fall back on the negative cliché, 'You should never criticize another man's religion.' Now, that innocent-sounding doctrine, born of the noblest sentiments, is **FULL of DANGER** to the democratic way of life. It **IGNORES** the **DUTY** of every good citizen to stand for the **TRUTH** in **EVERY** field of thought. It **FAILS** to take account of the fact that a large part of what men call 'religion' is also **POLITICS**, social hygiene and economics. Silence about 'another man's religion' may mean **ACQUIESCENCE** in second-rate medicine, inferior education and **ANTI-DEMOCRATIC** government.*

*I believe every American – [Roman] Catholic and non-[Roman] Catholic – has a **DUTY** to speak on the [Roman] Catholic question [Ed. Note: of Roman Catholic **POLITICAL** and **CULTURAL POWER** in the USA], because the issues involved go to the heart of our culture and our **CITIZENSHIP**. Plain speaking on this question [Ed. Note: of Roman Catholic **POLITICAL** and **CULTURAL POWER** in the USA] involves many **risks** of bitterness, misunderstanding and even fanaticism, but the **RISKS** of **SILENCE** are even **GREATER**. Any critic of the policies of the [Roman] Catholic hierarchy must steel himself to being called 'anti-Catholic', because it is part of the hierarchy's strategy of defense to place that 'brand' upon all its opponents; and any critic must also reconcile himself to being called an enemy of the [Roman] Catholic people, because the [Roman Catholic] hierarchy constantly identifies **ITS** clerical ambitions with the **SUPPOSED** wishes of its people.*

*It is important, therefore, to distinguish between the American [Roman] Catholic people and their [**Papal**] **Roman**-controlled priests.*

*...Unfortunately, the [Roman] Catholic people of the United States are not citizens but **SUBJECTS** in their own 'religious commonwealth'. The secular as well as the religious policies of their Church are made in [**Papal**] **ROME** by an organization that is **ALIEN** in spirit and control. The*

*American [Roman] Catholic people themselves have NO representatives of their own choosing either in their own local hierarchy or in the [Papal] **Roman [Catholic]** high command; and they are **COMPELLED** by the very nature of their Church's **AUTHORITARIAN** structure to accept **nonreligious** as well as religious policies that have been **IMPOSED** upon them from **ABROAD** [Ed. Note: i.e., from the Vatican STATE – that is, from Papal Rome].*

*...I do not believe that fear of one authoritarian power [Ed. Note: e.g., Communism] justifies **COMPROMISE** with another [Ed. Note: e.g., Fascism], especially when the **COMPROMISE** may be used to strengthen **CLERICAL FASCISM** in many countries. Certainly in this country the acceptance of **ANY** form of **AUTHORITARIAN CONTROL** **WEAKENS** the democratic spirit; and one **ENCROACHMENT** upon the democratic way of life **MAY** be used as a **PRECEDENT** for **OTHERS**." (Paul Blanshard; "American Freedom and Catholic Power"; 1949; The Beacon Press, Boston, 1950; Pages 3-6)*

NOTE: The above quotation was typed in this special format by Darryl Eberhart, Editor of ETI and TTT newsletters, on November 7, 2007. All emphasis in the above quotation is MINE. I most highly recommend that you go to [www.amazon.com](http://www.amazon.com) and purchase a used copy of the outstanding book, "American Freedom and Catholic Power", while it is STILL available.

Ed. Comments to the preceding quotation of Paul Blanshard:

(1.) The well-documented history of Papal Rome – and especially of its Jesuit Order over the past 400 years – has been one of seeking **POLITICAL POWER** and **INFLUENCE** in nations, and also of **SUBVERTING** democratic governments. Blanshard's book, "American Freedom and Catholic Power", shows how Papal Rome has steadily been gaining **POWER** and **INFLUENCE** in the USA – and in the process **subverting** our American Constitutional Republic.

(2.) The well-documented history of World War II shows that the Vatican **supported** Nazi Germany, Fascist Italy, and other Fascist regimes in Europe. The Vatican also helped some of the worst war criminals to escape punishment at the end of World War II through the infamous "**Vatican Ratlines**". Indeed, the Vatican has a very close **AFFINITY** with **FASCISM**!

(3.) Paul Blanshard gives examples of nations around the world that have suffered under a combination of State and **Roman Catholic** tyranny. History has clearly shown us that wherever Roman Catholicism is in the minority, she pleads for "tolerance" for herself. However, once Roman Catholicism either becomes the majority in a certain nation – or gains sufficient "political power and influence", she then **demand**s to be made the official "**State religion**" at the exclusion of all others. Roman Catholicism then has **NO** "tolerance" for any other religion, and she makes sure that the State passes laws outlawing the "propagation" of any religious beliefs **EXCEPT** her own! Several other things also happen in such a **Roman Catholic-controlled** State: (a.) Roman Catholicism either has public schools **outlawed** or strictly **controlled**. (If the public schools are not outlawed, then the Roman

Catholic hierarchy insists on determining what can and cannot be taught in the public schools.) (b.) Roman Catholic parochial schools increase exponentially, and all the population – both Catholic AND non-Catholic – MUST help support the Catholic schools. (c.) All citizens – both Catholic AND non-Catholic – are taxed by the State to support the official “**State religion**” (i.e., **Roman Catholicism**). History has also shown us that Roman Catholicism SUPPORTS even the most undemocratic, authoritarian, totalitarian dictatorships in which religious liberty, freedom of conscience, freedom of speech, and freedom of assembly are either very strictly CONTROLLED or done away with completely! Papal Rome is clearly the greatest enemy of religious liberty, freedoms of conscience and speech, and popular, democratic, representative government that the world has seen over the past 1500 plus years!

(4.) Roman Catholic POWER in the United States has exponentially increased since 1949 when Paul Blanshard wrote his book “*American Freedom and Catholic Power*”. The vast power and influence wielded in the USA **today** by the Roman Catholic Church was discussed (and documented) in a 328-page hardback book, “*Rulers of Evil: Useful Knowledge about Governing Bodies*”, by author F. Tupper Saussy (1999; 2001 edition by HarperCollins Publishers). While I strongly disagree with Saussy’s “pacifism” (which is expounded in one chapter of his book), I still feel that the book is well worth reading. I suggest you do a “google-style” search on the Internet to find out where you can order a copy of it.

(5.) Papal Rome’s (a.) political power and influence here in the USA; (b.) her bloody history of torture, mass murder, Inquisition, and religious genocide; and, (c.) her HATRED of religious liberty, freedom of conscience, and freedom of speech MUST all be discussed OPENLY, FREELY, and FULLY in the American media (both mainstream and alternative). If you would like more information on Papal Rome’s history, then I recommend that you read a newsletter, entitled “*Bloody Hands & Wicked Hearts*”, on Internet website [www.toughissues.org](http://www.toughissues.org).

FINAL QUOTES TO CONSIDER (all emphasis is MINE unless otherwise noted):

A. Concerning “freedom”, “truth”, “courage”, “silence”, and “cowardice”:

“When FREEDOM is at stake, **SILENCE** is **NOT** golden – it is **YELLOW** [i.e., cowardly].” – Tom Anderson (Writer; “*Straight Talk*” newsletter)

“TRUTH is violated by falsehood, but it is outraged by **SILENCE**. ” – Henri-Frederic Amiel (1821-1881; Swiss writer and philosopher)

*"No more cunning plot was ever devised against the FREEDOM, the happiness and the virtue of mankind than **ROMANISM** [i.e., the Roman Catholic system]."* – William Ewart Gladstone (1809-1898; British statesman and prime minister)

*"...Piety requires us to honor **TRUTH** above our friends."* – Aristotle (384-322 B.C.; Greek philosopher)

*"Men and women become **ACCOMPLICES** to those evils they fail to oppose."* – Author unknown to this editor

*"...The hottest places in hell are reserved for those who in a time of moral crisis try to maintain a position of **NEUTRALITY**."* – Dante Alighieri (1265-1321; Italian poet; author of *"The Divine Comedy"*)

*"Remember, it is **BETTER** to be **DISTURBED** by **TRUTH** than to be **DECEIVED** by **FALSEHOOD**."* – Dr. Cathy Burns (author of numerous books)

*"If we **LOSE** America, do you think your 401K retirement is going to be safe? Do you think your **IRA** is going to be safe? Do you think you're going to be allowed to remain in your home? Don't you understand that there are evil and wicked people out there who want to take away your **FREEDOM**, and they're going to succeed if you don't have the **COURAGE** to **STAND**? And if you don't have the **COURAGE** to take a **STAND** now, you don't **DESERVE** to be free!"* – Dr. Stanley K. Monteith (author; host of the *"Radio Liberty"* broadcast)

*"If your pastor [Ed. addition: or favorite broadcast host] doesn't have the **COURAGE** to stand against [PAPAL] **ROME**, [then] you need to make him aware of this information [i.e., the information contained in Jack Chick's book *"Smokescreens"*], and that it is his **RESPONSIBILITY** to make his people aware of it too."* – Jack T. Chick (*"Smokescreens"*; 1983; Page 88)

Ed. Comment: Please ask your pastor or favorite broadcast host to speak out on the "tough topic" of Papal Rome's immense power and influence in the USA, her bloody history of Inquisition and mass murder, and her hatred of liberty and love of Fascism.

B. Concerning Papal Rome's lust for power – especially **POLITICAL** power:

*“The [Roman Catholic] church seeks not virtue, but **HERSELF**, her aim and her recruitment; her true concern is the constant swelling of her ranks, the **STRENGTHENING** of **HER** POWER.” – Rene Boylesve (Roman Catholic; member of Academie Francaise)*

*“The fact is that very few Protestants have realized how entirely [PAPAL] ROME is a **POLITICAL** church, and that she always makes her **POLITICAL** advancement her **FIRST** object.” – M.F. Cusack (Ex-nun of Kenmore; author of the book “The Black Pope”; 1896)*

#### C. Concerning Roman Catholic power in the USA:

*“What [Professor Carol A.] Brown [of the University of Massachusetts] had learned from Carl Bernstein, I [i.e., author F. Tupper Saussy] had discovered for myself over several years of private investigation: the **PAPACY** really does **RUN** [i.e., **CONTROL**] United States foreign policy...” – F. Tupper Saussy (“Rulers of Evil”; 1999; Page 1)*

*“In fact, when the ‘Holy Alliance’ story hit the stands [in 1992], there was virtually no arena of federal legislative activity, according to ‘The 1992 World Almanac of US Politics’, that was not directly controlled by a **ROMAN CATHOLIC** senator or representative.” – F. Tupper Saussy (“Rulers of Evil”; 1999; Page 2)*

#### D. Concerning the Roman Catholic hierarchy’s “love affair” with totalitarian regimes, and especially with **FASCISM**:

*“**FASCISM** is the regime that **CORRESPONDS MOST CLOSELY** to the concepts of the **CHURCH OF ROME**.” – “**Civiltà Cattolica**” (House organ of the JESUITS)*

*“...The [Roman] Catholic hierarchy rests fully and securely on the **LEADERSHIP** principle with the infallible **POPE** in supreme command for a lifetime. ...Like the **FASCIST** party, its priesthood becomes a medium for an **UNDEMOCRATIC** minority rule by a **HIERARCHY**. ...[Roman] Catholic nations follow **FASCIST** doctrines more willingly than Protestant nations, which are the main strongholds of democracy [Ed. Note: i.e., of democratic principles]... Democracy lays its stress on personal conscience; **FASCISM** [lays its stress] on authority and obedience.” – Count Coudenhove-Kalergi (Raised as a Roman Catholic)*

*“...There seems to be no doubt that the [Roman] Catholic social ideas set forth in the encyclicals of [Pope] Leo XIII and [Pope] Pius XI have far more **AFFINITY** with those of **FASCISM** than with those of either liberalism or socialism. In the same way, it is clear that [Roman] Catholicism is by no means hostile to the **AUTHORITARIAN** ideal of the state. **AGAINST** the*

*liberal doctrines of the divine rights of majorities and the unrestricted freedom of opinion, the [Roman] Catholic Church has always maintained the principles of AUTHORITY and HIERARCHY and high conception of the prerogatives of the state.*” – Christopher Dawson (Noted British Roman Catholic)

*“The POLITICAL policy of [Papal] Rome seems to become more and more identified with organizations on TOTALITARIAN lines. That [Papal] Rome should feel it wise to work with DICTATORS is not regarded happily by those democratic countries who are striving against dictatorship at every turn.*” – William Teeling (Roman Catholic writer; 1937)

Ed. Comment to the preceding quote: Many of the nations of western and central Europe learned the “lesson” about Papal Rome’s LOVE of totalitarian organizations and regimes the HARD WAY in the decade leading up to World War II, and during World War II (1939-1945). Here are two good examples of this “lesson”:

(1) The military forces of the democratic [called “Republican”] factions in Spain in the 1930s were defeated in a bloody civil war [1936-1939] by a “Nationalist” COALITION made up of the hierarchy of the ROMAN CATHOLIC CHURCH in Spain AND the military forces of Spanish Fascist and aristocratic factions – military forces that were assisted by pilots, soldiers, tanks, aircraft, small arms, and ammunition from Nazi Germany and Fascist Italy! While it is true that the Soviet Union provided some military support to the Republican forces, Soviet support was vastly inferior to the support provided to the “Nationalists” by Nazi Germany and Fascist Italy. And while it is also true that Spanish communists made up PART of the democratic [i.e., “Republican”] coalition, author Antony Beevor on page 134 of his book, *“The Battle for Spain”* (1982; 2006, Penguin Books; Ocito Ltd.), tells us: *“In the summer of 1936 the Spanish Communist Party represented a VERY SMALL PROPORTION of the republican coalition.”*

(2) In Croatia the hierarchy of the ROMAN CATHOLIC CHURCH joined forces with a vicious FASCIST State during World War II in order to carry out one of the most barbaric religious genocides that the world has ever seen – a genocide that took the lives of up to ONE MILLION innocent Serb Orthodox Christian men, women, and children (many of whom were brutally tortured prior to being murdered)! The following statement by author Eric Jon Phelps gives us a list of nations that suffered during World War II under ROMAN CATHOLIC-supported FASCIST regimes:

*“The JESUITS [Ed. Note: a ROMAN CATHOLIC “religious” order], in CONTROL of [Adolf] Hitler’s occultic and homosexual Third Reich...installed puppet DICTATORS throughout Europe. They were:*

[1.] *Bavarian Germany and the Third Reich* – [Adolf] **Hitler** [born-died: 1889-1945]

[2.] *Italy* – [Benito] **Mussolini** [born-died: 1883-1945]

[3.] *'Vichy' France* – [Henri Philippe] **Pétain** [born-died: 1856-1951]

[4.] *Spain* – [Francisco] **Franco** [born-died: 1892-1975]

[5.] *Austria* – **Seyss-Inquart**

## [6.] Poland – Frank

[7.] *Slovakia* – [Roman Catholic JESUIT] *Priest* [Monsignor] **Tiso**

[8.] *Croatia* – [Ante] **Pavelitch** [Ed. Note: alternate spelling: Pavelic] [and]

[9.] *Belgium* – **Degrelle**.

*All these **ROMAN CATHOLIC**, **JESUIT**-controlled, Jew-hating dictators were loyal to the greatest war criminal of all, Papal Caesar Pius XII and his master, **JESUIT** [Superior] General Wlodimir Ledochowski.*” – Eric Jon Phelps (“*Vatican Assassins*”; 2001; Page 478)

*“...The ‘deeds’, as distinguished from the ‘words’, of the VATICAN have strengthened the conviction that it will gladly support a **FASCIST** International so long as it is a **CLERICAL-FASCIST** International. In several great crises in Europe the VATICAN has, through passive and active COLLABORATION with **FASCISM**, thrown the ‘balance of power’ AGAINST democracy [Ed. Note: i.e., against the democratic forces within various nations]. ...Committing itself AGAINST even democratic socialism, it [i.e., the VATICAN] has aligned itself with the MOST REACTIONARY FORCES in Europe and Latin America. Surely it is not an accident that the three most **FASCIST** nations in the world today [Ed. Note: this was written in 1949] – Spain, Argentina and Portugal – are all [Roman] Catholic nations whose DICTATORS have been **blessed** by the **POPE** and are conspicuously loyal to him!”*

*The VATICAN’S AFFINITY with **FASCISM** is neither accidental nor incidental. [ROMAN] CATHOLICISM conditions its people to accept censorship, thought-control and, ultimately, **DICTATORSHIP**.*” – Paul Blanshard (“*American Freedom and Catholic Power*”; 1949; Page 257)

E. Concerning the Roman Catholic Jesuit Order:

*“If ever there was a body of men who merited **ETERNAL DAMNATION** on earth and in hell, it is this Society of Loyola’s [i.e., the Jesuit Order].”* – John Adams (1735-1826; 2<sup>nd</sup> President of the United States)

*“The Society of Jesus [i.e., the Jesuits] is the **ENEMY** of man.”* – Robert J. Breckinridge (Pastor, author)

*“[The Jesuits] are a **SECRET SOCIETY**, a sort of **MASONIC ORDER** with super added features of **REVOLTING ODIOSNESS**, and **A THOUSAND TIMES MORE DANGEROUS**. ...[They are] sold for life to the cause of the **Roman Pontiff**.”* – Samuel F.B. Morse (1791-1872; American inventor of the telegraph; author of the book *“Foreign Conspiracy Against the Liberties of the United States”*)

*“The Jesuits are a **MILITARY** organization, not a religious order. Their chief is a **general** of an **army**, not the mere father abbot of a monastery. And the aim of this organization is **POWER** – **POWER** in its most **despotic** exercise – **absolute POWER, universal POWER, POWER to control the world by the volition of a single man** [i.e., the Black Pope, the Superior General of the Jesuits]. Jesuitism is the most **absolute** of **despotisms**: and at the same time the greatest and most enormous of **abuses...**”* – Napoleon I (Napoleon Bonaparte; 1769-1821)

*“The Jesuit Order is an association of highly organized warrior priests. They are **POLITICIANS** first and foremost and have been **EXPELLED** from virtually every country they have had the opportunity to **CORRUPT** and **DESTROY**. Their *modus operandi* is **POLITICAL** and **EDUCATIONAL INFILTRATION** and **SUBVERSION** and the **FOMENTING** of wars and revolutions in order to weaken and mold the target country into submissive pliability, to then be used to carry out their purpose of global ecclesiastically backed dictatorship. The United States is **no** exception to this.”* – C.T. Wilcox (Canadian actor and writer; *“The Transformation of the Republic”*; 2005; Page 8)

*“The favorite policy of the JESUITS [is] that of **ASSASSINATION**.”* – Brigadier General Thomas M. Harris (author of the book *“Rome’s Responsibility for the Assassination of Abraham Lincoln”*; 1897; Page 19; he was a member of the 12-man Military Commission that tried eight of the conspirators involved in the Lincoln assassination.)

*“...In the religious arena, the goal of the Jesuits is to **WIPE OUT** any trace of Protestantism and other religions, and to **RESTORE WORLDWIDE DOMINATION** by the **POPE**.”* – Bill Hughes (*“The Secret Terrorists”*; 2002; Page 138)

*“Between 1555 and 1931 the Society of Jesus [i.e., the Jesuit Order] was **EXPELLED** from at least **83** countries, city states and cities, for engaging in **POLITICAL INTRIGUE** and **SUBVERSIVE PLOTS** against the welfare of the State, according to the records of a Jesuit priest of repute [i.e., Thomas J. Campbell]. ...Practically every instance of **EXPULSION** was for **POLITICAL** intrigue, **POLITICAL** infiltration, **POLITICAL** subversion, and inciting to **POLITICAL** insurrection.”* – J.E.C. Shepherd (Canadian historian; *“The Babington Plot”*; 1987; Page 12)

*“They [i.e., the Jesuits] have so constantly mixed themselves up in COURT and STATE intrigues that they must, in justice, be reproached with STRIVING AFTER WORLD DOMINION.”* – Archduke Maximilian Francis

*“The public is practically unaware of the overwhelming RESPONSIBILITY carried by the VATICAN and its JESUITS in the STARTING of two world wars – a situation which may be explained in part by the GIGANTIC FINANCES at the disposition of the VATICAN and its JESUITS, giving them power in so many spheres, especially since the last conflict.”* – Edmond Paris (*“The Secret History of the Jesuits”*; 1975; Page 9)

*“The Jesuit Order, therefore, stands before us as the embodiment of a system which aims at temporal **POLITICAL** domination through temporal **POLITICAL** means, embellished by religion, which assigns to the head of the [Roman] Catholic religion – the Roman Pope – the role of a temporal overlord, and under shelter of the Pope-King, and using him as an instrument, desires itself the **DOMINATION** over the whole world.”* – Count von Hoensbroech (German nobleman and ex-Jesuit; *“Fourteen Years a Jesuit”*; 1911)

*“Never before in the course of the world’s history had such a Society [i.e., the Jesuit Order] appeared. The old Roman Senate itself did not lay schemes for WORLD DOMINATION with greater certainty of success.”* – Friedrich von Hardenberg (German philosopher; 1800)

*“[The Jesuits] are the DEADLY ENEMIES of civil and religious liberty.”* – R.W. Thompson (Ex-Secretary, American Navy)

*“The presence of the Jesuits in any country, Romanist or Protestant, is likely to breed social DISTURBANCE.”* – Henry Palmerston (1784-1865; British statesman & prime minister)

*“It is well known that there were OVER TWO THOUSAND members of the Jesuit Order located in Washington [D.C.] in the years prior to the year 1900. In the last one hundred plus years, this number is anyone’s guess, but the reader can be assured that it has INCREASED significantly, and with it, the **POLITICAL** influence it wields.”* – C.T. Wilcox (Canadian actor and writer; *“The Transformation of the Republic”*; 2005; Page 341)

*“Today they [i.e., the Jesuits] are STRONGER in the UNITED STATES [of America] than they ever were in any of the countries of Europe which EXPELLED them as a **MENACE** to the government.”* – Jeremiah J. Crowley (Irishman; ex-priest in the Roman Catholic Church; author of the book *“Romanism: Menace to the Nation”*; statement made in 1912)

## FINAL THOUGHTS (Some Questions, a Prayer, and a Bible verse):

After having read all the above quotations, do you think that we Americans should be discussing Roman Catholic power and influence in the USA? Do you think that the American media (both mainstream AND “alternative”) should be discussing this topic? Shouldn’t the American people be made aware of the bloody history of Papal Rome, her support of Fascist regimes, her HATRED of religious liberty and freedom of conscience, and the plans made by the Papacy and European monarchs in the 19<sup>th</sup> century to **DESTROY** our American Constitutional Republic? And shouldn’t the American people be made aware of the Jesuit Order’s well-documented history of POLITICAL intrigues, assassination of heads of state, subversion of governments, and fomenting of revolutions and wars? (Or, is even HISTORY “off limits” when it comes to discussions of Papal Rome?) WHO BENEFITS if we continue to remain SILENT on these “tough topics”? (HINT: Could the “enemies of freedom” be the ones who really benefit because of our **SILENCE**?)

PRAYER: May Almighty GOD give us all the COURAGE to stand AGAINST Papal Rome, and to be obedient to Ephesians 5:11 in EXPOSING this geopolitical-financial-religious system whose hands drip with the BLOOD of many MILLIONS of GOD’S true saints, and who tortured and murdered up to ONE MILLION innocent Serb Orthodox Christians in the early 1940s!

NOTE to above prayer: The Reformers risked their lives to expose Papal Rome’s man-made, unscriptural doctrines and practices – and to point out her BLOODY history of murdering GOD’S saints (which caused them to identify Papal Rome as “the Antichrist” described in the Holy Bible) – can WE do less?

## BIBLE VERSE:

*“Who will rise up for me against the evildoers, or who will stand up for me against the workers of iniquity?” (Psalm 94:16)*
